Sharing Economics and the innovation of Asian shipping and logistics industry

ICASL is an annual international event devoted to shipping and logistics studies. It aims to provide a platform for academics, researchers, policy makers, specialists, and practitioners working in port, shipping, aviation transportation and logistics. We are expecting a wide range of attendances from Asia-Pacific and other overseas regions to this coming event.

It is our great pleasure to invite all of you to the 9th International Conference of Asian Shipping and Logistics (ICASL 2016) to be held from July6- Juy9, 2016 in Keelung, Taiwan. The Conference will be jointly organized by Korean Association of Shipping and Logistics, Inc. and The National Taiwan Ocean University.

The theme of 2016 conference is “Sharing Economics and the innovation of Asian shipping and logistics industry”. Sub-issues are sharing economics related issues in the Asian countries, Collaboration and alliances in Maritime shipping related issues, Supply chain management and logistics related issues, Sea Transport and Transportation Technology related issues, Recent Trends and Future Perspectives for logistics and sea transport related issues in resources sharing. We welcome **the full-papers or the first**

draft on all aspects of shipping and logistics that are in line with the Journal's aims and scope.

Selected manuscripts from the ICASL2016 will be invited to submit for the publication consideration in the special issue of the Asian Journal of Shipping and Logistics, Strategic Outsourcing: An International Journal, etc.

For applying for attending conference, you can **register and submit the abstract of papers by the 30 March, 2016** to Secretary of the ICASL 2016: Dr. Jung-sun LEE (Email: sunnylee@gntech.ac.kr), **and submit Full paper by 01 May, 2016**. If you have any question, do not hesitate to contact our Secretary of the ICASL 2016.

To prepare manuscripts, authors are asked to closely follow the "Instructions to Contributors" (<http://www.elsevier.com/journals/the-asian-journal-of-shipping-and-logistics/>). Manuscripts will be refereed according to the standards of AJSL. See the website for details: <http://www.ajsl.info/>
